Washington, D.C. 20520

APR 18 2008

Dear Mr. Chairman:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed agreement for the export of defense articles or defense services sold commercially under contract in the amount of \$100,000,000 or more.

The transaction described in the attached certification involves the transfer of defense articles, including technical data, and defense services to Japan for design, production and launch of the JCSAT-12 Commercial Communications Satellite and associated ground system for Japan.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, reading "Jeffrey T. Bergner".
